Update: Equitable Learning Plans (ELP) for Term 3 2021 and Summer School 2022

In response to disruptions caused by COVID-19, Term 1 and Term 2 ELPs have been extended to cover Term 3 (and summer school where relevant). Please note the ELPs will still have Term 1 and Term 2 written on the document, but they are valid for Term 3 2021 and Summer School 2022.

This does not include students with temporary conditions or those that need to update their documentation. We will contact these students individually.

We hope the change will relieve stress for students who may struggle to access appropriate documentation and extend their ELP for the remainder of 2021.
