The following pages provide information on how you can meet new friends and get involved with your community.

**Clubs and societies**
Joining a club is a great way to meet people who share your interests and make new friends.

**Competitions**
Get involved in competitions that give you the opportunity to test your abilities in a particular field, usually whilst working in a team of students on a project.

**LGBTQIA+ Support**
Support networks for lesbian, gay, bi-sexual, transgender, queer and intersex students.

**Opportunities**
Discover opportunities to join workshops, participate in focus groups and get involved in interesting stuff.
