To cite an online image you are discussing in your writing

In the text

Mention the image in the text and cite the author and date:

The cartoon by Frith (1968) describes ...

If the image has no named author, cite the full name and date of the image:

The map shows the Parish of Maroota during the 1840s (Map of the Parish of Maroota, County of Cumberland, District of Windsor 1840-1849)

List of references

Include the following information:

- author (if available)
- year produced (if available)
- title of image (or a description)
- Format and any details (if applicable)
- name and place of the sponsor of the source
- accessed day month year (the date you viewed/ downloaded the image)
- URL or Internet address (between pointed brackets)

If there is no named author, put the image title first, followed by the date (if available):

To cite online images/ diagrams used as figures

Figures include diagrams, graphs, sketches, photographs and maps. If you are writing a report or an assignment where you include any visuals as figures, you must include a reference.

If you include figures in your work, they should be numbered and labelled with captions. Captions should be very simple and descriptive and be followed by an in-text citation. Figure captions should be directly under the image.

In the text of the assignment

Cite the author and year:
In the list of references

Provide full citation information:

To cite online data in a table caption

If you reproduce or adapt table data found online you must include a citation. All tables should be numbered and table captions should be above the table.

In the text of the assignment

Table 2: Agricultural water use, by state 2004-05 (Australian Bureau of Statistics 2006)

<table>
<thead>
<tr>
<th>State</th>
