At UNSW we understand the International Student experience can have unique challenges throughout your studies. The Student Support team includes International Student Support Advisors who can help you with any of the following:

- Adjusting to life at UNSW and the broader community (home sickness, cultural, social and academic adjustment)
- Understanding your student visa conditions
- Advice about UNSW services and where to get help
- Understanding UNSW policies and procedures
- Incidents or issues causing you distress (emergencies, accidents, natural disasters).
- Accommodation
- Study Support
- Personal and Health Issues
- Financial difficulties
