Thinking of changing your enrolment?

Our advisors can assist you in navigating the process and offer guidance on what you need to do so that you can be confident in your decisions.

We provide support with study and personal issues that may be impacting your academic progress and where appropriate, help provide supporting documentation.

Our services include:

- Offering workshops regarding UNSW terminology, such as Special Consideration and important dates, such as Census date
- Supporting students to liaise with schools or faculties regarding enrolment.
- Helping students to complete the required forms and documentation.

See information on Census Dates
