UNSW offer a number of support and development services for all students. From this page you can access information on support for international students.

For personalised advice and information please make an appointment with an International Student Advisor.

**Careers and employment**

UNSW is committed to helping you enhance your global employability, and empowering you to succeed beyond the classroom and find employment, throughout and after university. Here you can find resources for international students.

**Cultural program**

Discover a series of workshops that will help you to understand the Australian culture or become a Cultural Mentor and use your knowledge and experience as a senior (local or international) student to help newly arrived international students adjust and feel at home in their new environment.

**Interchange**

Open to all UNSW international students, Interchange is an active learning journey designed to help you find your inner
entrepreneur and develop your professional skills, including communication, innovation and leadership.

**Language and conversation skills**

If you would like to further develop your language and conversation skills we have a number of activities and programs to assist you. Discover the Language Exchange Program, English language classes and workshops, Discussion Group Team and more.

**Professional development program**

This program is an initiative to assist UNSW international students with English as a second language to further develop their communication skills in a professional setting and gain practical workplace experience to enhance their career opportunities.
