## Stay Smart Online

**Published: 5 June 2017**

Please take the time to visit **Stay Smart Online** where great advice is available to help deter the bad guys!

Whether at work or home, we are regularly exposed to online threats that are designed to steal our information or gain access to systems for malicious purposes.

Stay Smart Online is a Government lead initiative held every year to promote Cyber-Security Awareness and the measures we can take to protect our information of value.
