AIESEC stands as a global, non-political, independent, not-for-profit organisation run by fellow students.

As the world's largest youth-run organisation, integrated into a global youth network, we aim to impact the world through leadership development experiences such as volunteering and internship opportunities.

If you are interested in gaining practical experiences in areas such as Marketing, Sales, Event Management, Program Management & Human Resources whilst developing your soft-skills through meetings, conferences and seminars with AIESEC team members from across Australia & the world, apply now!

**Responsibilities**

We are looking for members that can remain dedicated to the organisation's causes, respect and maintain its values, and most importantly are open to the vast learning experience that AIESEC’s Global Leader program presents.

**How to get involved**

Read more about the program and sign up online.

**Positions**

Executive Board of Directors Team Member Program (TMP)

**Training**

Although it may differ across portfolios and roles, AIESEC generally requires a time commitment of about 8-12 hours per week. This includes compulsory local committee and portfolio meetings, as well as portfolio-specific work and tasks.

**Duration**

Almost all of AIESEC’s members study full-time at UNSW as well, and tasks will be developed in order to ensure that you can maintain other commitments you may have, and that they can complement your studies and employment experience as well.
