How to access and view your Smart Sparrow lessons

To access the Smart Sparrow activity, log in to your Moodle course.

Your instructor will have added an external tool activity link in a specific section of the Moodle course page.

Contact your instructor if you cannot find the Smart Sparrow lesson in your Moodle course.

Email notes to yourself from within the lesson

In your online Smart Sparrow lesson, you can create notes and email them to yourself.

1. Go to the three bar icon menu in the top right corner of your lesson

2. Slide the notepad to ‘ON’
3. Add your notes

4. Click on the **envelope icon** to email yourself the notes

**Revisit the screens you have completed**

In a Smart Sparrow lesson you can view the screens you have completed.

1. Go to the **three bar icon menu** in the top right corner of your lesson

**burgerbarFINAL.png**
2. Slide the history bar 'ON'

3. To the left hand side of the screen you will see a list of the screens you have completed.

4. To continue the lesson from the latest screen, you must click on the last screen you were on.

**Restart the lesson**

Your instructor determines whether the restart functionality is available to students.

If your instructor has switched on the restart functionality, follow the steps below:

1. Go to the **three bar icon** in the top right corner of your lesson

**burgerbarFINAL.png**
2. Click on the 'restart lesson' button.
