Apply Now!

The Career Ready Mentoring Program connects UNSW students in their final year of study with established industry professionals, providing students with a significant opportunity to focus on career development during the transition from study to work.

Watch the video here

Responsibilities

Through industry exposure, professional guidance and self-directed participation, each student will develop career-ready skills, providing a tangible link between study, employment and industry.

The program offers the flexibility of conducting meetings face to face, by video (such as Skype or Zoom) or by phone.

How to get involved

Apply Now! Applications close 16 April, 2020.
