In keeping with advice from NSW health and the additional measures UNSW has adopted in relation to the current COVID19 situation, face-to-face program authority services have been temporarily suspended.

We understand that this is a challenging time and we want students to continue to be able to access services. Our staff are still available to support you online and via phone.

Here you can find program authority contacts for UNSW Science.

Please note postgraduate students should enquire at their respective school office.
