Designed for the members of the Aviation Society, and specifically those enrolled in a degree under the School of Aviation, the Student Mentor Program assists first year students with transition and learning upon commencement at the UNSW Sydney.

Responsibilities

Mentors are those enrolled in an Aviation degree in second-year or later and equip new students with tools required to successfully complete and participate in university life.

How to get involved

Applications are open from January 30 to February 5. Enquire via email.

Please NB* This opportunity is available to students of the School of Aviation only.

Position

Mentor
Training

A full day training session (6-8 hours) will detail roles and expectations within the program. It will also build on new mentors' leadership skills.

Duration

Semester 1, Weeks 1-13, with approximately 1-2 hours per week commitment.

Accreditation

- Accredited by UNSW Advantage = Yes
  (For recognition on Australia Higher Education Graduation Statement)
- Accredited by UNSW Leadership Program = No
  (Eligible for community engagement component)
