Published: 14 May 2019

Since November 2018, the new section of the shared path on the southern side of Alison Road between Darley Road and Arthur Street in Randwick has been open to pedestrians and cyclists. This section of shared path continues along Wansey Road towards Arthur Street.

As work continues on the light rail, the shared path on the western side of Wansey Road will terminate south of Arthur Street and a temporary southbound cycle path is located on the eastern side of Wansey Road between Arthur Street and High Street to connect cyclists to UNSW.

To ensure the shared pathway is safe for all, pedestrians and cyclists are advised to:
• Stay to the left
• Look out for bikes
• Use the bell if on a bike to alert pedestrians
• Be aware of your surroundings

Please see the Map for more details
Stay safe on the shared pedestrian / cycle path on Wansey Rd & Alison Rd
