10. Supply Chain Management & Logistics
11. Six Sigma Quality Management

Apply

Students should apply directly to the University/Program via their website by 1st March 2018 for Early Bird Discount of 10%.

If you wish to transfer credit for the program, you must first seek approval from your faculty for credit transfer through Cross-Institutional Enrolment. For more information see - Applying for credit and funding for your overseas short course.
Risk assessment

All programs involve some degree of risk to participants. If you choose to source a provider on your own, please remember to do some research on them first and ensure that they are a legitimate organisation and that the product they offer will definitely meet your requirements. Students are therefore advised to undertake their own risk assessment before departure and any participation in these programs is at their own risk.

Before departure

All students should register their travel with UNSW. You should also undertake a risk assessment before heading overseas. For more information see - How to prepare for departure.
