The Chinese University of Hong Kong, International Summer School (ISS) provides you with an exceptional opportunity to combine high-quality learning with an unforgettable summer experience. While attending, students can learn and live alongside other academic achievers from a diverse range of backgrounds and cultures. International students can immerse themselves in a multicultural environment and gain insights into Asian cultures, experience a unique learning environment on the green, spacious campus of CUHK outside regular term time, and enjoy the many pleasures of summer in Hong Kong – Asia's world city. CUHK and local students can have a taste of cultural exchange with international students without going abroad.

ISS 2018 will come in two sessions: the five-week July Session that covers a wide variety of academic topics and the three-week August Session that exclusively offers intensive Chinese language courses. Academic studies will be accompanied by a range of activities, events and field trips that immerse students in the international environment at the ISS as well as the unique East-meets-West character that epitomizes Hong Kong. The ISS will be held at the CUHK main campus in Shatin, Hong Kong. All courses will be taught in English (with the exception of Chinese Language courses) by outstanding CUHK and visiting academic faculty from overseas universities.

**July Session: 24 June to 1 August 2018**

At the ISS July session, courses will be offered in the following areas:

- Business & Management
- China Studies
- Chinese Language (Cantonese & Putonghua)
- Environment, Science & Technology
- Humanities & Social Science

An optional four-day Beijing tour at the end of the July Session will allow students to explore the Chinese capital.

**August Session: 3 August to 25 August 2018**

At the ISS August session,

Four levels of Putonghua (Mandarin) courses will be offered from beginner to intermediate levels.
Applications will open on 9 February 2018 at www.summer.cuhk.edu.hk and will close on 30 April (July Session) and 31 May (August Session) respectively.

Apply

Full programme details of the 2018 ISS will be updated on our website at www.summer.cuhk.edu.hk in late December. If you have any questions or enquiries, please feel free to contact Louis Wong at louiswong@cuhk.edu.hk. We look forward to welcoming your students to CUHK next summer!

Complete this UNSW Overseas Short Course Application Form and Transfer of Credit Form.

For more information see Applying for credit and funding for your overseas short course.

Risk assessment

All programs involve some degree of risk to participants. If you choose to source a provider on your own, please remember to do some research on them first and ensure that they are a legitimate organisation and that the product they offer will definitely meet your requirements. Students are therefore advised to undertake their own risk assessment before departure and any participation in these programs is at their own risk.

Before departure

All students should register their travel with UNSW. You should also undertake a risk assessment before heading overseas. For more information see How to prepare for departure.
