$3,000 New Colombo Plan mobility grants are available to undergraduate students from UNSW Australia wishing to spend July or August 2018 studying in Indonesia on ACICIS Study Indonesia’s Indonesian Language Short Course (ILSC).

ACICIS’ Indonesian Language Short Course (ILSC) provides intensive language training to students from beginners to advanced level in Indonesian language. Running in the university vacation periods, the program will either fast-track or supplement a student’s language studies or can be taken as an introduction or a ‘taster’ to the Indonesian language and culture for students exploring an interest in Indonesia.

The program consists of an intensive Indonesian language and culture course including language tutorials, cultural classes, a variety of seminars and excursions. Students can take a three-week module (or take two modules for a six week package) held at Satya Wacana Christian University in Salatiga.

Academic credit toward your UNSW Australia degree is available to participants undertaking ACICIS’ Indonesian Language Short Course (ILSC).
