Globex offers courses that focus on the two core elements of our program: engineering & science and China-focused study. Engineering and science generate new knowledge and skills for society to advance and prosper (10 engineering/science courses). Societies everywhere are being profoundly impacted by China, as it grows to become the world’s largest economy.

Globex offers students an opportunity to study China and its peoples (2 China focused courses). The 3-day Pre-Globex Beijing Tour is from June 29-July 1, 2018.

Participants should arrive in Beijing on June 28, 2018 at the latest.

The Globex office will provide course syllabus and PKU transcript to facilitate course credit transfer, it does not however, guarantee that the credits will be acceptable by the student’s home university. The Globex office will provide the necessary documents for applicants who need to apply for Chinese visas.

Professor P.S. Han, College of Engineering, Peking University will be conducting an information session for all applicants. Student should confirm attendance in UNSW Overseas Short Course Application.

Thursday March 29, 2018
3pm-5pm
John B Reid Theatre, AGSM (map ref:G27)

Apply

Students should apply directly to Globex via their website by 01 April 2018. Students must also complete this UNSW Overseas Short Course Application Form at the time of applying to Globex.

If you wish to transfer credit for the program, you must first seek approval from your faculty for credit transfer through Cross-Institutional Enrolment. For more information see - Applying for credit and funding for your overseas short course.
Fees

No fee waivers available

Tuition and Other Fee Payment April 15th, 2018

Risk Assessment

All programs involve some degree of risk to participants. If you choose to source a provider on your own, please remember to do some research on them first and ensure that they are a legitimate organisation and that the product they offer will definitely meet your requirements. Students are therefore advised to undertake their own risk assessment before departure and any participation in these programs is at their own risk.

Before departure

All students should register their travel with UNSW. You should also undertake a risk assessment before heading overseas. For more information see How to prepare for departure.
