2018 International Summer School GREEN FOR LIFE China-UK Low Carbon College

Published: 4 June 2018

Highlights:

The first International Summer School of LCC will be divided into three parts. In frontier lectures, we will center on Utilization of Carbon Resource, Sustainable Energy, Energy Saving and Emission Reduction, Carbon finance and so on. In the seminars, students will be encouraged to team up according to their interests, and make preliminary research plans. Every team is supposed to do reports and receive the comments from experts. In enterprises visits, students will make investigation in companies in low carbon areas.

Apply

Students should apply directly to SJTU via their website by 20/6/2018.

If you wish to transfer credit for the program, you must first seek approval from your faculty for credit transfer through Cross-Institutional Enrolment. For more information see - [Applying for credit and funding for your overseas short course](#).

Complete this [UNSW Overseas Short Course Application Form](#) at the time of applying to SJTU.

Risk assessment

All programs involve some degree of risk to participants. If you choose to source a provider on your own, please remember to do some research on them first and ensure that they are a legitimate organisation and that the product they offer will definitely meet your requirements. Students are therefore advised to undertake their own risk assessment before departure and any participation in these programs is at their own risk.
Before departure

All students should register their travel with UNSW. You should also undertake a risk assessment before heading overseas. For more information see - How to prepare for departure.
