This once in a lifetime opportunity will develop your understanding of the political, cultural, and socioeconomic worlds of India – and you could receive $3000 funding from the Australian Government’s New Colombo Plan to support your participation.

Join us in the world's fastest growing economy and most diverse place on earth. The IndoGenius Reimagining India is a two-week interdisciplinary experiential learning program taking place in Mumbai, Jaipur, Agra and New Delhi this December. You will discover contemporary India’s growing political and economic role on the world stage at sites ranging from diplomatic enclaves, multinationals and 3D printing workshops to rural villages, ancient cities and slum recycling centres.

Participants will interact with 20+ local and international organisations in Delhi, Mumbai and Jaipur including:

- On-site visits and talk with industry experts from various sectors;
- Government bodies, including the Australian High Commission;
- Visits to prestigious institutions to meet students and learn about their entrepreneurial businesses and ideas;
- On-site visits and activities with social enterprises.
- You will meet and network with business leaders at their corporate offices and interact with the world's fastest-growing startup ecosystem.

The program is delivered by IndoGenius - India's leading provider of short courses to international students with over 1,200 alumni from the UK, US and Australia since 2011. Some of the benefits for the program include:

- First-hand knowledge and experience of contemporary India.
- 21st-century skills to elevate your CV, which is also sought out by top institutions and employers
- Make connections and network with India’s academic and business communities
- Gain new friends and acquaintances.

Apply

Students should apply directly to IndoGenius via their website by June 30, 2018.
If you wish to transfer credit for the program, you must first seek approval from your faculty for credit transfer through Cross-Institutional Enrolment. For more information see - Applying for credit and funding for your overseas short course and complete this UNSW Overseas Short Course Application Form.

For more information see - Applying for credit and funding for your overseas short course.

Risk assessment

All programs involve some degree of risk to participants. If you choose to source a provider on your own, please remember to do some research on them first and ensure that they are a legitimate organisation and that the product they offer will definitely meet your requirements. Students are therefore advised to undertake their own risk assessment before departure and any participation in these programs is at their own risk.

Before departure

All students should register their travel with UNSW. You should also undertake a risk assessment before heading overseas. For more information see - How to prepare for departure.
