Join First Year Connect

Are you new to UNSW?

First Year Connect helps you make the best possible start by connecting you with other new students to explore and discover student life together. We can help you adjust, explore, meet other new students and most of all... Have fun!!!

This is an opportunity designed to help first year students navigate all that uni life has to offer throughout semester with a
group of other students. You will have access to exclusive opportunities including social events, amazing activities, a semester long competition and incentives and prizes along the way.

Be prepared for fun and rewarding experiences!
