In October this year, UNSW will be moving to annual enrolment, which will allow students to better plan their studies by enrolling in all their courses for the following year.

**Enrolment will be a two-step process:**

- From 2 October, 2018 - **Step 1: Course Enrolment**, where students will enrol in the courses they intend to undertake for the following year*.
- From 26 November, 2018 - **Step 2: Class Registration**, where students will choose the classes for the enrolled courses in Term 1. Class Registrations will open at least 8 weeks before each term start date.

*It is possible to change course enrolment any time prior to the end of Week 1 of Term, subject to course capacity availability. Therefore, students should enrol in a full year of courses as soon as possible to ensure a place in all desired courses.

Annual enrolment will be the default way to enrol in courses, but there will still be an option to enrol on a term-by-term basis. Students taking a term off or changing their enrolment below 6 courses in a year would automatically move to term based enrolment.

**FIND ALL ENROLMENT FAQS HERE**

**Plan**

It is important for students to plan which courses they wish to enrol in for 2019. Course information and term offerings can be found here [www.student3plus.unsw.edu.au](http://www.student3plus.unsw.edu.au)

**Full-time status**

For **Domestic students** who aren't intending to study the normal study load of eight courses across Term 1, 2 and 3, it is important to understand full-time student eligibility. For **International student** visa holders, please see [information about study load requirements](http://www.student3plus.unsw.edu.au)
To see which course combinations will enable students to remain eligible to retain full-time status across the year, or in a single term, see [www.fulltime.student3plus.unsw.edu.au](http://www.fulltime.student3plus.unsw.edu.au)
