

Blackboard Ally

Blackboard

Blackboard Ally is a service within Moodle which automatically provides students with additional accessible file formats of those uploaded to the course by the instructor.

You can download these alternative formats as needed.

Ally can provide alternative formats for these file types:

- PDF files
- Microsoft® Word files
- Microsoft® Powerpoint® files
- OpenOffice/LibreOffice files
- Uploaded HTML files

These alternative formats can be generated:

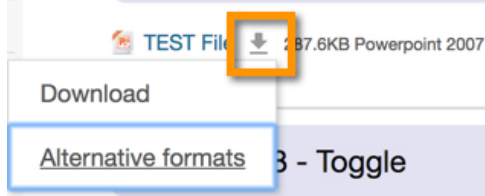

- OCR'd version (for scanned documents)
- Tagged PDF (currently for Word, Powerpoint and OpenOffice/LibreOffice files)
- Semantic HTML
- Audio

- ePub
- Electronic Braille

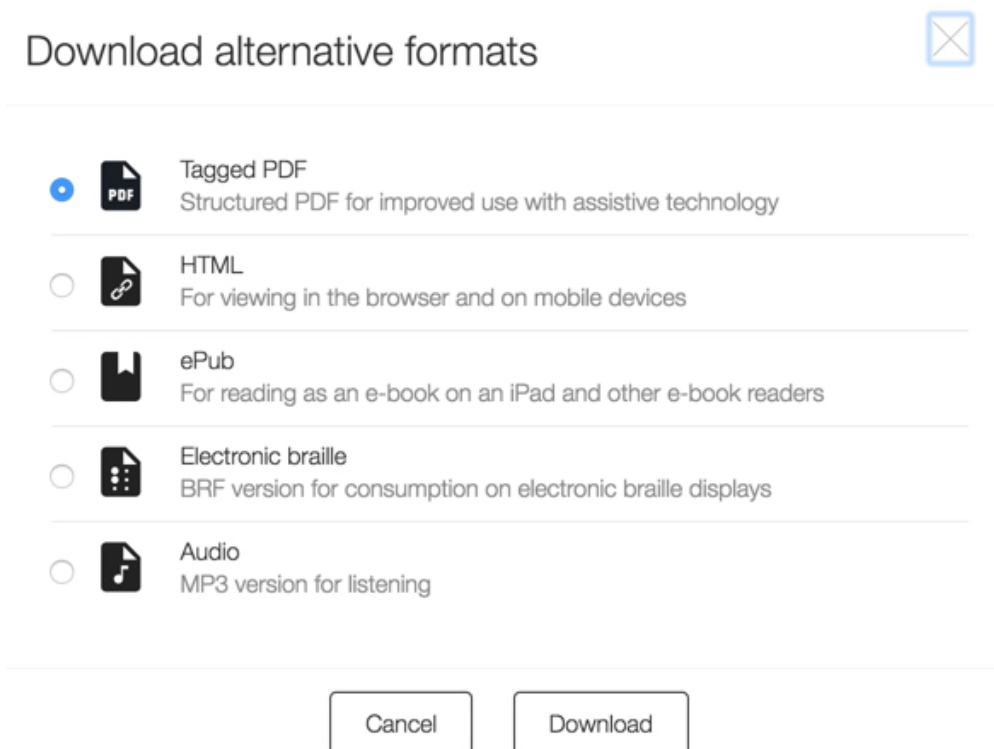

How to download alternative file format

To access alternative file format,

1. Select the Download toggle adjacent to the specific file.

2. Then select the **Alternative formats** option. This will give you the available formats to download.
