Here you can find a step-by-step guide to enrolling in your courses in myUNSW as an undergraduate or postgraduate coursework student.

In October 2018, UNSW moved to an annual enrolment. Annual enrolment allows you to better plan your studies by enrolling in all your courses for 2019.

We advise you to enrol in all of your courses for the three terms in 2019. If you are anticipating completing your degree before the end of 2019, you may still be eligible for full-time student status in individual terms.

Annual enrolment is a two-step process

Step 1 - Course Enrolment

From 2 October 2018 students were able to enrol in the courses they intend to undertake for the following year.

Step 2 - Class Registration

Class Registrations will open at least 8 weeks before each term start date.
