Here you can find a step-by-step guide to enrolling in your courses in myUNSW as an undergraduate or postgraduate coursework student.

Annual enrolment allows you to better plan your studies by enrolling in all your courses for the coming year. We advise you to enrol in all of your courses for the three terms. If you are anticipating completing your degree before the end of the coming year, you may still be eligible for full-time student status in individual terms.

Annual enrolment is a two-step process

Step 1 - Course Enrolment
Students are able to enrol in the courses they intend to undertake for the following year.

Step 2 - Class Registration
Class Registrations will open at least 8 weeks before each term start date.
