Support others to learn and grow! Here you can find voluntary opportunities to mentor or tutor other students. Helping others to learn and be successful develops your own skills in communication and leadership, as well as building your self confidence. It’s also a great way to give back what you have learnt about successful university life and study to newer students.

Many of these opportunities have been approved by UNSW Advantage as eligible for recognition on your Australian Higher Education Graduation Statement (AHEGS).
Art Gallery and Confucius Institute Mentor Program

Art Gallery NSW and Confucius Institute Mentor Program aims to engage 10 Mandarin speaking students from the Confucius Institute at UNSW with the Community Ambassadors and artworks from the Gallery's exhibition...
