Registrations for the TU Berlin Summer University 2019 are now open!

After our most successful year ever in 2018, with 305 participants from 60 different countries taking part in our summer and winter schools, we are looking forward to once again welcoming global students to our expanded 2019 program.

Participants receive a 50€ Early Bird discount on every course booking if they register before the 1st of March 2019.

View our 2019 program now!
From June to August TU Berlin is offering specialized courses in Engineering, Computer Science, Business, Innovation and more, across twelve weeks of intensive academic programs.

Exciting **new courses** making their debut this year include: **Artificial Intelligence, Desalination & Renewable Energies, Machine Learning with Python** and **Biodesign**.

Courses of two, three or four weeks are being offered.

Classes are taught in English and held on the main campus of the Technische Universität Berlin (TU Berlin). European credit points (ECTS) are available for each course.

Course prices range from 950-2300€, and include tuition, class excursions, a student card, a canteen card, a transport ticket for Berlin and the activities featured in the cultural program.

The **cultural program** offers museum visits, city tours, sport and social activities alongside the academic program.

**Accommodation** is available.

24-hour emergency support is provided by the Summer University team on-site.

**Apply**

**Students should apply directly to the University via their website by 15 April 2019.**

If you wish to transfer credit for the program, you must first seek approval from your faculty for credit transfer through **Cross-Institutional Enrolment**. For more information see - **Applying for credit and funding for your overseas short course**.

Complete this **UNSW Overseas Short Course Application Form** by 15 April 2019.

For more information see - **Applying for credit and funding for your overseas short course**.

**Risk assessment**

All programs involve some degree of risk to participants. If you choose to source a provider on your own, please remember to do some research on them first and ensure that they are a legitimate organisation and that the product they offer will definitely meet your requirements. Students are therefore advised to undertake their own risk assessment before departure and any participation in these programs is at their own risk.
Before departure

All students should register their travel with UNSW. You should also undertake a risk assessment before heading overseas. For more information see - How to prepare for departure.
