Turnitin Planned Outage

Published: 2 January 2019

Turnitin has advised that due to planned system maintenance, the following services will be unavailable. The maintenance is to ensure that services remain stable, particularly during high submission periods.

- Turnitin (Including Moodle Integration)
- Feedback Studio for iOS
- iThenticate

When will services be unavailable?

Date: Sunday, January 6th, 2019
Time: 03:00am - 11:00am (AEDT)

How will you be affected?

Users will be unable to submit and grade during this maintenance window, so please ensure that any grading or submission deadlines are adjusted to fall outside of the window.
