Make 2019 the year you get involved in volunteering!

**Date:** Tuesday 26 February 2019  
**Time:** 10am-2pm  
**Location:** UNSW Roundhouse

For the first time in 2019, Arc is hosting Volunteering Expo! All day you'll be able to swing by Roundhouse and visit over 30 stalls hosted by not-for-profits. There will also be volunteering masterclasses, barbecue and more.

Volunteering is a great way to develop enterprise skills like project management, stakeholder management and logistics. These complement your academic know-how to make you extra appealing to employers. It's also an awesome way to meet new people at UNSW and get all the good karma of contributing to the community.
