ACICIS' Indonesian Language Short Course Winter 2019

Published: 15 March 2019

ACICIS’ Indonesian Language Short Course (ILSC) provides intensive language training to students from beginners to advanced level in Indonesian language. Running in the university vacation periods, the program will either fast-track or supplement a student’s language studies or can be taken as an introduction or a ‘taster’ to the Indonesian language and culture for students exploring an interest in Indonesia.

The program consists of an intensive Indonesian language and culture course including language tutorials, cultural classes, a variety of seminars and excursions. Students can take a three-week module (or take two modules for a six week package) held at Satya Wacana Christian University in Salatiga.

$3,000 New Colombo Plan mobility grants are available to eligible undergraduate students from UNSW wishing to spend July 2019 studying in Indonesia on ACICIS Study Indonesia’s Indonesian Language Short Course (ILSC).

Apply

Students should apply directly to the University/Program via their website by Monday 1st April 2019

If you wish to transfer credit for the program, you must first seek approval from your faculty for credit transfer through Cross-Institutional Enrolment.

For more information see - Applying for credit and funding for your overseas short course.

Risk assessment

All programs involve some degree of risk to participants. If you choose to source a provider on your own, please remember to do some research on them first and ensure that they are a legitimate organisation and that the product they offer will definitely meet your requirements. Students are therefore advised to undertake their own risk assessment before departure and any participation in these programs is at their own risk.

Before departure

All students should register their travel with UNSW. You should also undertake a risk assessment before heading overseas. For more information see - How to prepare for departure.
