This year the Rising Stars Women in Engineering Workshop will be held at Seoul National University (SNU) in Seoul, Korea on October 24-27, 2019.

Organized by Asia’s top engineering schools, this second edition of the workshop aims to bring together young female professionals in engineering disciplines from around the world, including scholars, researchers and engineers interested in exploring and advancing careers in academia, for scientific and career-oriented discussions relevant to the development of women academic leaders in Asia. Insightful plenary and keynote lectures, panel discussions and mentoring sessions will offer participants a glimpse into an academic career in top Asian universities.

Applicants for the Workshop must be:

- Female; and
- Fluent in English; and one of the following
  - Fresh PhD graduates or PhD students close to graduation in engineering-related disciplines; or
  - Postdocs or young researchers with engineering PhD degree; or
  - Young engineers with PhD degree working in industry who are interested in exploring careers in academia.
Participants of a previous Asia Deans’ Forum – The Rising Stars Women in Engineering Workshop are not eligible to apply again.

Apply

Students should apply directly to the University/Program via their website by Wednesday 15 May, 2019.

If you wish to transfer credit for the program, you must first seek approval from your faculty for credit transfer through Cross-Institutional Enrolment. For more information see - Applying for credit and funding for your overseas short course.

Risk assessment

All programs involve some degree of risk to participants. If you choose to source a provider on your own, please remember to do some research on them first and ensure that they are a legitimate organisation and that the product they offer will definitely meet your requirements. Students are therefore advised to undertake their own risk assessment before departure and any participation in these programs is at their own risk.

Before departure

All students should register their travel with UNSW. You should also undertake a risk assessment before heading overseas. For more information see - How to prepare for departure.
