The 2019 Meet the professor series is a wonderful chance for students and staff to celebrate the careers and achievements of our newly promoted and recruited professors. Our speakers will share their specialist knowledge and provide insights into ‘what’ and ‘who’ influenced their lives and careers.

Upcoming events for 2019 include:

**Monday 6th May - Engineering and Science**
Professor Vinayak Dixit and Professor Lisa Keay

**Tuesday 7th May - Science**
Professor Mike Letnic and Professor Robert Brander

**Monday 13th May - Medicine**
Professor Rebecca Guy and Professor Maree Hackett
Monday 3rd June - Business and Science
Professor Gigi Foster and Professor Ludmila Stern
