Chance to Win $100 VISA Cash and iPad

Win an iPad or 1 of 5 $100 vouchers
Complete the UNSW Respect! Survey now

Published: 18 April 2019

Your University, Your Experiences:
The Division of Equity Diversity & Inclusion has partnered with Hudson to conduct the UNSW Respect! Survey from 18 April – 17 May 2019. This is a university-wide study that will help us understand your experiences in relation to harassment, bullying, discrimination, sexual misconduct and related topics.

Click here to participate in this survey now: https://unswrespect.questionpro.com

The UNSW Respect! Survey is completely anonymous, and all responses will be securely stored. As a way of thanking you for your time, students who complete a survey can choose to enter the draw to win one of five $100 Visa cash vouchers and an iPad. Please note, you will be required to provide UNSW email address for the purpose of the prize draw only. This is disconnected from the survey, and there is no possible way to re-identify you. Your responses will remain completely anonymous.

The Division invites all students and staff to participate in this study and help make a difference to build an inclusive work and study environment for everyone. We understand this subject matter may not be comfortable for all. If you feel affected from reading this or would like to talk with someone about your experiences, please do not hesitate to contact Students Counselling Services on 02 9385 5418 or via email at counselling@unsw.edu.au for further assistance.
