It’s back! For the Term 2 study and exam period we’ve again transformed the Library’s Exhibitions Space on Level 5 of the Main Library into a Retreat Space where students can relax and take a break from study.

The Main Library is the most popular place on campus during the study and exam period, and the Retreat Space helps to make life a little bit easier for students during this anxious time.

You’ll be able to relax on bean bags in a tranquil oasis, have fun with board games and Lego and look after your mental health with mindfulness resources.
