### Am I eligible for Commonwealth support

Commonwealth supported places are competitive and are only available to domestic students.

Domestic undergraduate students who are offered a place through the [University Admissions Centre](https://www.unsw.edu.au) (UAC) will be
offered a Commonwealth supported place (CSP).

There are also postgraduate Commonwealth supported places. These places are limited and must be applied for, either directly to UNSW or through UAC. Please see our Postgraduate Commonwealth Support page for more details.

For more information on Commonwealth support eligibility, please refer to Commonwealth Assistance.
