UNSW Urban Growers Launch

31 Oct 2019 - 11:00am to 2:00pm | Barker Street Carpark - The Cage, North East corner

A joint initiative of the Scientia Education Academy and the Grand Challenge on Rapid Urbanisation, brought to fruition by UNSW Growers, the Teaching and Research Garden is a resource for staff and students. Garden beds will be available for use in courses and research.

At the launch event staff and students are invited to find out about the garden and resources available, join in with seed planting and help to make UNSW Kensington campus greener.

UNSW Urban Growers is cross faculty staff and student group from Law, Built Environment, Public Health and Community Medicine, Engineering, BEES, ARC, UNSW Wellbeing and Estate Management.
