**Meet our Student Mentors**
Hi! My name is Ria and I recently finished a double degree in International Studies and Media. I love to travel and learn about different cultures and I thrive off meeting new people and engaging in new experiences. I love being an online mentor because I received a lot of support when I first joined UNSW and I wanted to give back to the community with all the knowledge I’ve built up over the past 5 years. Also, it sounded like a lot of fun!

Hi everyone! My name is Tony and I’m a 4th year student at UNSW. I study a Bachelor of Education (Secondary) and a Bachelor of Science with a major in Mathematics. Outside of the university I practice martial arts and tricking, and I perform in various demonstrations for events around the community. Throughout my experiences as an online mentor I have assisted a diverse group of new and current students.

Hi there, My name is William, I'm a 4th-year (as of 2020) UNSW undergraduate pursuing a science degree in psychology. As a psychology major, I'm so passionate about mental health well-being and care, and so some of my hobbies include hiking, bush and coastal walking, spending time with friends and family outdoors, reading motivational and self-improvement books and novels.
How our Mentors can help you

- What is the difference between a tutorial and a lecture?
- What is a day in the life of a UNSW student like?
- What are the best ways to make friends and meet new people?
- Have I processed my enrolment properly? Who should I contact to ensure I have finalised my enrolment?
- What do I need to do to help me settle in once I have enrolled?
- Is there anything I should do to prepare over the holidays, before I start my first classes?
- How is UNSW supporting students during COVID-19?
- I'm worried about self-isolation impacting on my studies. Who can support me?
- I'm feeling pretty lonely because of self-isolation. How can I stay connected to the UNSW community?
- The gym and fitness options on campus are closed because of COVID-19. How can I stay fit, healthy and connected?

And any other questions you can think of to help you with life as a UNSW student.
