Welcome to Health Services! We provide a quality health service to the students, staff and visitors of UNSW.

Our doctors, nurses and administration staff are non-judgemental and are here to help you with any concerns you may have about your health and wellbeing.

**Novel Coronavirus: COVID-19**
and appointment information for all patients

The UNSW Health Service has put in place steps to protect your safety. The Director of the Health Service has put in place these steps to protect your safety.

If you have non COVID-19 symptoms, please phone reception or make an appointment online.

The 2020 Flu Vaccine is still available.

If you are worried or feel unwell or would like more information, please read our Coronavirus page.
