Here you can find contacts and support for postgraduate research students at UNSW.

**Graduate Research School**

Whether you are a current research candidate, a prospective one thinking about your research career or a member of University staff, the Graduate Research School is the central administration and support unit for higher degree research candidates including information on news and scholarships.

- Email: enquiries.grs@unsw.edu.au
- Phone: 02 9385 5500

**Additional support**

UNSW offers a number of support and development services for all students. Here you can access information on the additional support services that are available specifically for postgraduate researchers.

**Conference and Fieldwork Grants**

Medibank International Conference and Fieldwork Grants for UNSW Postgraduate Research International Students

**UNSW Scientia research recruitment opportunities**

UNSW is investing at unprecedented levels to bring 1,000 of the world’s most talented researchers to Sydney by 2025, to join a community ranked amongst the global top 50.

**Academic skills support**

Here you can find short courses, thesis writing resources, ‘Shut Up and Write’ cafe meet-ups...

**Overseas research**

Many foreign institutions accept research students for short-term projects with their researchers.
**Beginning to Teach for ECRs and HDRs**

This program is designed to develop the teaching capability of UNSW Early Career Researchers (ECRs) and Higher Degree Research candidates (HDRs) with little to no experience of teaching.

**Library services for research support**

Visit the Library website for research support and resources and general services for students.

**Arc postgraduate council**

The Postgraduate Council (PGC) provide information, support, representation and advice on issues that affect postgraduate students.

**Graduation: Submit your thesis**

You must submit your thesis before your documents can be released.
