Additional support

UNSW offers a number of support and development services for all students. Here you can access information on the additional support services that are available specifically for postgraduate researchers.

Academic skills support

Here you can find short courses, thesis writing resources, ‘Shut Up and Write’ cafe meet-ups...

PhD career development scholarship program

UNSW is delighted to offer our highest achieving PhD candidates a unique Professional Career Development Scholarship Program while they complete their PhD.

Overseas research

Many foreign institutions accept research students for short-term projects with their researchers.

Beginning to Teach for ECRs and HDRs

This program is designed to develop the teaching capability of UNSW Early Career Researchers (ECRs) and Higher
Degree Research candidates (HDRs) with little to no experience of teaching.
