Academic Skills UNSW offers students help with academic writing on an individual basis.

If you would like to discuss academic writing (or any study-related concern) you can make an appointment with an Academic Learning Facilitator.

An individual consultation lets you seek help with any specific study-related problem or issue. We support UNSW students with their academic skills development such as writing, referencing, presentation skills as well as time management and other study-related skills. We offer consultations both online via Microsoft Teams, and on campus face-to-face.

To book a consultation

Schedule a consultation via Learning & Careers Online. Once you have booked your consultation, you will receive an e-mail with instructions on how to access your consultation. Please note: if you're a first time user you'll need to sign up/register but once you do, you'll have access to a wealth of resources and information (such as when workshops or events are happening).

About Individual Consultations

What happens in a consultation?

Receive comprehensive feedback on your writing from a Smarthinking tutor.

Essay and Assignment Writing
