The following pages provide all the information you'll need for exams to organise yourself to arrive on time, and at the correct exam venue, as well as all important exam rules.

**Term 2 exams will be delivered online, in a similar way to Term 1 exams.**

As most of you have already experienced online exams in Term 1, you will be more aware of any environmental or technical issues which may impact you undertaking your online exams. For example, you may not have a quiet space at home where you can complete your exam - undisturbed, or your wifi signal at home may be unreliable.

The Library has opened up a small number of socially distant study spaces which you are currently able to book. During the exam period, the Library also plans to enable reservations on a number of fixed PCs and loanable laptops for those students who require access to a computer.

Please check your UNSW Student Email for more information about the upcoming Term 2 Exam Period and additional resources.
Dates for exams
