Term 2 – Class Registration is open and all courses will be available online

Published: 1 May 2020

Term 2 class registration is now open. All courses that are offered in Term 2 will be available online and you will be able to commence and complete your course online. This means, if you’re a student who has returned (or plans to return) to your home country, or you’re living in Australia and studying from home, you can simply complete your course online. Make sure you register for your Term 2 classes to confirm your enrolment.
