Do you have an idea that could improve your experience at UNSW?

The Student Suggestion Box is a collaborative initiative aimed at improving the student experience at UNSW allowing you to make quick and short suggestions, in addition to any feedback you are invited to provide each term through the formal student surveys.

Send us your suggestion

All submissions are completely anonymous. Please enter your suggestion into the form linked here.

Thank you for taking the time to submit your suggestion.

Suggestion box themes will change periodically. This theme will run from 22 June to 22 July 2020. Please make sure to check in every so often with your highly valued suggestions.
Find out what’s been done so far in response to student suggestions from previous years:

**Suggestion: “Partner with industry for internships”**

In 2019 WIL Central was established to provide enterprise-level leadership of Work Integrated Learning (WIL) at UNSW.

Work Integrated Learning (WIL) at UNSW enables students to work directly with industry and community partners for credit towards their degree.

**Suggestion: “More chilled water bubblers and a map to locate them”**

In 2019 twelve water bubblers / drink refilling stations were installed across the UNSW Kensington campus.

These bubblers, along with other amenities have been marked on a UNSW green campus initiative interactive online map.

**Suggestion: “Give students a chance to learn life skills”**

The Student Academic and Career Success team at UNSW have created multiple learning assistance programs to help students gain skills for life after university.

These programs include career mentoring, job seeking, work experience, career expos and industry networking events.
