### How to calculate fees

Below is an example for a 6 uoc course in Band 1.

\[
\text{Charge per course} = \frac{\text{Course units of credit}}{\text{EFTSL in units of credit}} \times \text{student contribution band charge}
\]

\[
\frac{6}{48} \times 6,684 = 835
\]

You can find the units of credit per course in the [UNSW Handbook](#). The EFTSL at UNSW is currently always 48.

### Am I eligible for Commonwealth support

Commonwealth supported places are competitive and are only available to domestic students.

Domestic undergraduate students who are offered a place through the [University Admissions Centre](#) (UAC) will be offered a Commonwealth supported place (CSP).

There are also postgraduate Commonwealth supported places. These places are limited and must be applied for, either
directly to UNSW or through UAC. Please see our [Postgraduate Commonwealth Support](#) page for more details.

For more information on Commonwealth support eligibility, please refer to [Commonwealth Assistance](#).
