### Am I eligible for Commonwealth support

Commonwealth supported places are competitive and are only available to domestic students.

Domestic undergraduate students who are offered a place through the [University Admissions Centre](https://student.unsw.edu.au/fees-student-contribution-rates) (UAC) will be offered a Commonwealth supported place (CSP).

There are also postgraduate Commonwealth supported places. These places are limited and must be applied for, either directly to UNSW or through UAC. Please see our [Postgraduate Commonwealth Support](https://student.unsw.edu.au/fees-student-contribution-rates) page for more details.

For more information on Commonwealth support eligibility, please refer to [Commonwealth Assistance](https://student.unsw.edu.au/fees-student-contribution-rates).
