Queer Support

Peer Mentoring Program for LGBTIQA+ Students Settling in to UNSW.
About the Queer Peer Support Program

Queer Peer Support is a program that connects first year queer students with more experienced queer peers. This program aims to facilitate a tight knit supportive group of queer students so that mentees can be supported academically, professionally, as well as simply navigating the university experience as a queer student.

When does this program run?

T3 2020. This program includes group meetup events, scheduled checkups by mentors to see how mentees are doing, BBQ’s and a range of other events.
