Whilst the majority of postgraduate places at UNSW are Domestic Fee Paying there are certain programs which have an allocation of Commonwealth support funding. These places are limited in each program and even though they are listed below, do not guarantee a Commonwealth supported place if you are granted an offer of admission.

Programs not listed here have no Commonwealth supported funding and are Domestic Fee Paying only. If you are a Domestic fee Paying student you may be eligible for FEE-HELP, but you are not eligible for the subsidised tuition under Commonwealth support.

**What is a Commonwealth supported place?**

A Commonwealth Supported Place is a higher education place for which the Commonwealth Government contributes towards the cost of your education, thereby subsidising your tuition cost. You pay the subsidised amount only, which is referred to as your Student Contribution amount, which varies depending on courses undertaken. Your student contribution amount may be deferred under HECS-HELP, or paid upfront at the start of each term/semester, depending on your eligibility. For a definition of Commonwealth Support refer to Study Assist.

**How to apply**

You should submit your application for admission either directly to UNSW or the Universities Admissions Centre (UAC), depending on your program. Please refer to Apply Online for details and application closing dates.

If you receive an offer for a Commonwealth supported place (outlined in your offer letter), you will be required to complete the 'Request for a Commonwealth Supported Place and HECS-HELP Loan' Commonwealth Assistance Form (CAF) electronically, as part of your acceptance process. The electronic CAF will be presented to you during 'Part 2' of the online acceptance and enrolment process. It is important to note that you must complete this contract to be eligible for Commonwealth support and it must be submitted before the census date of your enrolment.

Please see Getting Started for more information on acceptance.

**Important:** Commonwealth supported places are subject to availability at the time of application. If you are enrolled or intending to enrol in the following programs please note that a Commonwealth Supported Place is not guaranteed and may only be available in specific teaching periods.
