Most Postgraduate students pay tuition fees, however, limited Postgraduate Commonwealth Supported Places are available to eligible students in some UNSW programs, listed below. Commonwealth Supported Places are not available to students undertaking study at UNSW Canberra at ADFA or the UNSW Business School (including AGSM MBA Programs).

A Commonwealth Supported Place is a higher education place for which the Government makes a contribution towards the cost of the student's education. Students pay a Student Contribution amount (previously known as HECS charges), which varies depending on courses undertaken. For a definition of Commonwealth Support refer to Study Assist.

**How to apply**

Applications are submitted either directly to UNSW or the Universities Admissions Centre (UAC). Please refer to Apply Online for details and application closing dates.

Students who receive an offer for a Commonwealth supported place (outlined in offer letter) are required to accept their offer and complete the 'Request for a Commonwealth Supported Place and HECS-HELP Loan' Commonwealth Assistance Form (CAF) electronically. The electronic CAF will be offered to eligible students as part of the ‘Part 2’ online acceptance and enrolment process by the relevant census date.

Please see Getting Started for more information on acceptance.

**Important:** Commonwealth supported places are subject to availability at the time of application. If you are enrolled or intending to enrol in the following programs please note that a Commonwealth Supported Place is not guaranteed.
