System unavailability

- Outages for Moodle and other eLearning systems
- IT service interruptions and planned outages
- myUNSW is generally available, except for system maintenance between 12:45am and 1:45am Sydney time. Moodle and other eLearning systems are generally still available during a myUNSW outage. See More FAQs for myUNSW

Alternate access

If you can't log in, please try another browser/computer. If you encounter difficulty with sign-on to myUNSW, Moodle or the Identity Management (IDM) system, it does not necessarily mean these systems are unavailable. You may still be able to access these systems via these alternative links:
