The exchange programme is an excellent opportunity to discover Sciences Po’s internationally focused and professionally relevant social science curriculum, distinctive teaching methods and vibrant student life.

Sciences Po’s exchange programme welcomes more than 1,500 students each year from 470 partner universities around the world. At Bachelor’s level, exchange students can choose from Sciences Po’s Paris or Reims campus. Exchange students at Master’s level study on the Paris campus. Exchange students can study in English, French or in both languages.

Please find enclosed here the course list for our exchange program in the Paris and Reims campuses (undergraduate). Should you be interested in our MA courses, for example of our Paris School of International Affairs, you shall be able to find them here for each respective Master. Classes shall be conducted online, and the teaching mode will be synchronous or asynchronous or a mixture of both, depending on the course.
